

Lista de símbolos kosher

Introducción

Existen más de 1000 agencias de kashrut alrededor del mundo las cuales cuentan con diferentes estándares de kashrut, lo que presenta un dilema diario al consumidor que no sabe en cuál confiar.

El objetivo de esta lista es dar a conocer las agencias de kashrut extranjeras que cuentan con los más altos estándares de kashrut.

La omisión de una agencia de kashrut no implica necesariamente su bajo estándar, siendo que en ocasiones la omisión es por falta de información.

La lista no se refiere a problemas de bishul akum, shejita, tolaim, jalab israel, pat israel, jadash, pescados, pescado con leche y matzot.
